The **Triple Crown 7×16 Heavy Duty Dump Trailer** is built to tackle the toughest jobs with ease, offering durability, functionality, and efficiency for a variety of heavy-duty applications. Whether you're in construction, landscaping, or general utility work, this trailer delivers dependable performance and versatility.

Key Features:

- **Dimensions:** 7' x 16' dump bed for handling large loads and heavy materials.
- **Axles:** Tandem 7,000 lb greasable brake axles for superior stability and load capacity.
- **GVWR:** 14,000 lbs, perfect for demanding projects.
- **Construction:** Tubing main frame with channel cross members, 10-gauge sheet metal floors, and custom-formed uprights and corners for exceptional strength.
- **Power System:** Power-up/power-down 12V pump mounted in a lockable tongue box for secure operation.
- **Wheels:** 16" radial tires with black 8-lug wheels for reliability on various terrains.
- **Ramps:** 4' channel ramps for convenient equipment loading and unloading.
- **Rear Doors:** Barn-style rear swing doors for flexible access to the dump bed.
- **Tarp System:** Black mesh tarp with roller and tie loops to secure your load effectively.
- **Additional Features:** Diamond plate fenders, LED lights with protectors, 12K drop leg jack, dump bed prop, spare tire mount, weld-on stake pockets to extend side height, and 3/8" safety chains with clevis hooks (GR70).

Why Choose the Triple Crown 7×16 Heavy Duty Dump Trailer?

This trailer is designed for maximum durability and practicality, offering a spacious dump bed and a range of features that enhance performance and ease of use. It's built to withstand rigorous tasks and provide reliable service for years to come.

Applications:

- Hauling construction debris and materials
- Landscaping and bulk material transport
- Equipment and machinery transport

- General heavy-duty utility tasks
