The **Triple Crown 6×16 Tandem Axle Utility Trailer** is a reliable and spacious solution for hauling larger loads, ideal for homeowners, landscapers, and professionals seeking dependable performance. With its durable construction and ample capacity, this trailer is built to handle a variety of tasks with ease.

Key Features:

- **Dimensions:** 6' x 16' trailer bed, providing generous space for equipment, materials, and more.
- **Axles:** Tandem 3,500 lb axles for enhanced stability and load distribution.
- **Wheels:** 15" steel wheels for durability and smooth towing on diverse terrains.
- **Gate:** 48" gate for efficient loading and unloading of cargo.
- **GVWR:** 5,500 lbs, offering excellent load capacity for a wide range of applications.

Why Choose the Triple Crown 6×16 Utility Trailer?

This trailer combines durability and practicality, making it an excellent choice for both residential and commercial use. Its robust design ensures reliable performance for years, while its large deck size accommodates bigger loads with ease.

Applications:

- Landscaping and lawn maintenance projects
- Transporting ATVs, motorcycles, or small vehicles
- Hauling tools, materials, and equipment for construction or DIY projects
