### **Product Description**

## **Wacker Neuson 5055 Wheel Loader**

The 5055 all wheel steer wheel loader offers excellent maneuverability around the job site. This unit features a long wheelbase for smooth driving and easy handling even across the roughest terrain. Counterweights are located far behind the rear axle for higher payloads and more stability. Four-wheel drive steering offers excellent maneuverability, overall machine stability and increased payloads. Machine design features placement of components for easy access and serviceability.
