Product Description

Mow with Authority using the **ZT XL 48" Kawasaki Zero Turn Mower** (Stock Number: 918013). This heavy-duty mower is built to take on your toughest acreage, providing the performance you need for any challenging landscape. Designed for big jobs, the ZT XL features a sleek, redesigned build equipped with **vibration isolators** and a comfortable **high-back seat** that combines professional cut quality with exceptional comfort for those extended mowing sessions.

The **fully welded tubular frame** ensures a strong and stable backbone, offering durability and support that outperforms competitive bolted, multi-sectional frames. With an **11-gauge fabricated deck**, this mower is built to last. The 4 ½-inch-deep deck design enhances airflow, enabling it to tackle tough mowing conditions while delivering a professional-grade cut every time.

Comfort is paramount, and the plush high-back seat features **seat isolation** along with **cut and sewn armrests**, ensuring you stay relaxed during long hours of operation. Powered by the reliable **Kawasaki® FR691V engine**, this mower boasts an impressive **23 horsepower**, making it an ideal choice for homeowners seeking a durable and efficient lawn care solution.

Whether you're maintaining a large residential lawn or tackling professional landscaping jobs, the **ZT XL 48"** is your go-to mower for outstanding performance and comfort.

Financing Options

This powerful mower is also available for financing, allowing you to invest in top-quality lawn care equipment with ease.

Proper Storage Tips

After mowing, it's essential to store your lawn mower correctly to prolong its life. For tips on how to store a lawn mower in your garage, visit our guide on [how to store a lawn mower in the garage](#). Proper maintenance and storage techniques will ensure your Hustler Raptor XD stays in optimal condition, ready for your next mowing session.
