This little robot makes pool season a breeze. This automatic pool cleaner is light-weight and budget friendly cleaner.

#### Features:

- CleverClean™ coverage is powered by an advanced navigation system and scanning software. This ensures that your pool – walls and floor – are cleaned using the most efficient route. So smart, the system automatically navigates around obstacles and quickly returns to its route.
- The filtration system separates and filters rough and fine dirt for highly efficient, clog-free filtration
- Power your Dolphin with the easy-to-use on/off power supply with touch-screen control.

Dolphin Echo automatic pool cleaner.
