The ST31 offers the power and torque needed for any job site. This unit delivers 3,100 pounds of rated operating capacity at 50% and is a class leader with a lift height over 125 inches. The machine is equipped with a 74 hp turbo-charged Kohler Tier 4 Final engine offering class-leading engine torque.

Mechanical Hand-Foot and Selectable EH control ensure operators with any control preference can efficiently operate the machine. With generous door width and height, the visibility of the attachment and the surroundings is superior to the competition.
