Product Description

Wacker Neuson SM60 Utility Track Loader

The SM60 is comfortable for operators, while maintaining its trim and compact profile, utilizing its wide spring suspension for both enhanced comfort as well as enhanced stability. In addition, the SM60 utilizes a gas motor for DIY home owners and landscape contractors who use gas motor powered lawnmowers. With a purpose designed lift capacity and high hinge pin, the SM60 excels at loading onto high sided trucks and dumpsters,
