

Man Lift 52' Towable Electric (2" Ball)

Available by delivery only, call for a delivery charge estimate

The class-leading Snorkel A46JRT articulating boom lift delivers precise reach and powerful rough terrain performance. Its up-and-over capabilities provide exceptional maneuverability with an articulated jib as standard for extended reach. A tight turning radius and zero tailswing makes the A46JRT a flexible and versatile machine for hard-to-reach places.

- Snorkel Guard™ secondary guarding system
- Multi-function proportional controls
- Oscillating front axle
- Height 52'
- Tri-entry platform
- Foam filled lug tires
- Power line to platform
- Hour meter & on-board diagnostics display
- Tilt alarm
